

*ANGELS AND AUTISM:
FINDING FAITH FOR THE
AUTISTIC CHILD
DVD*

This wonderful documentary was produced by the members of St. John the Baptist Philoptochos, Euless, Texas, with the hopes of raising awareness of the issues families face in their quest to offer children with autism a spiritual life. We hope it opens the hearts and minds of fellow parishioners and for it to appeal to people of all denominations.

We are offering this DVD to all parishes and Philoptochos chapters to share with their fellow parishioners.
